

WASTE COLLECTION

Quick and easy to remember instructions regarding the automated refuse collection system.

This system uses the latest collection equipment available and provides maximum efficiency at minimum expense. We want to do the best possible job for you and would appreciate your cooperation.

In this pamphlet there is a drawing illustrating the locations for your container on collection day.

GENERAL GUIDELINES ON...

HOW TO USE YOUR CONTAINER:

1. Use your cart from now on to dispose of your bagged trash
2. Wheel out your cart with its lid closed. You must be able to close the lid without packing garbage in the cart too tightly, otherwise the excess weight will make emptying of the cart more difficult.
3. Place the cart roadside by 7:00 am on collection day, wheels facing towards the curb (illustration # 1)
4. Return the emptied cart to your property before the end of the day.
5. Do not remove the cart from its assigned address.
6. Inform the town, village office or Greenland Waste Disposal of any damage, vandalism or theft of the cart. It is important to note the serial number stamped on the cart placed at your residence.

Thank you for your cooperation in making this new, cleaner and more efficient system of waste collection work for you.

Containers placed after 7 am will be collected the following week.

Following these instructions will assist us in making your community one of the cleanest in Saskatchewan.

If your house is on a street or avenue without a curb, please place the container on the road making sure the pickup truck can reach the container.

The container must be placed on the street or avenue that corresponds with your address. Example: 219-2nd Ave West. This corner house would place the container on the Avenue.

For your child's safety, do not allow them to play near the collection containers or vehicles.

If you require more information, please call 1 (306) 763-3133 between 8 am & 5 pm, Monday through Friday.
